DOSSIER

*Creativity
in movement*

Welcome to Animetrik, where we turn your ideas into amazing animated videos! We are passionate about bringing your concepts to life with a magical and creative touch. Discover how we can make your brand stand out in a world full of stimuli!

OUR SERVICES OF VIDEO

EXPLAINER VIDEOS: We create animated videos that simplify concepts, processes, or products, providing clarity and visual appeal.

PRODUCT VIDEOS: We highlight the features and benefits of your products through visually appealing animations.

EDUCATIONAL VIDEOS: We develop educational and instructional videos using animations to make complex topics or procedures accessible.

CORPORATE VIDEOS: We produce videos that represent the identity, culture, and values of your company, using animation to make it visually engaging.

ONBOARDING VIDEOS: We facilitate the integration of new employees through animations that explain policies, procedures, etc.

TEASER VIDEOS FOR EVENTS: We create short and engaging animations to promote events, generating anticipation and increasing attendance.

SOCIAL MEDIA VIDEOS: We design animated content specifically for social media platforms, maximizing interaction and impact.

LOGO ANIMATION: We transform static logos into dynamic animations for use in videos, presentations, or websites.

INTROS AND OUTROS: We create animations to introduce or conclude videos, providing a professional and distinctive touch.

LOWER THIRDS AND SUBTITLES:

We include animated text or subtitles in videos to convey key messages or make them accessible to a wider audience.

GIFS AND ANIMATED BANNERS:

We develop moving images and animated banners for websites, online ads, or digital campaigns.

ADVANTAGES OF CHOOSING ANIMETRIK FOR YOUR VIDEOS

From exceptional engagement to unparalleled clarity, we ensure that your brand stands out with memorability, virality, and a lasting impact.

Unique Engagement: We generate exceptional interactions, surpassing other media.

Clear Message: We facilitate the understanding of the message, making the complex easy.

Ensured Memorability: By using a striking and original medium, associating your brand with our videos will ensure it stays in the minds of your audience.

Guaranteed SEO Optimization: By publishing your videos on popular platforms, we increase the visibility of your content on Google.

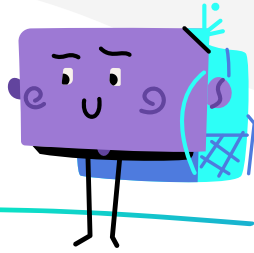

Versatility and Flexibility: You will have creative control from the beginning to the end of the process, allowing you to incorporate improvements or adapt the content to different formats.

Communicate your value proposition clearly and attractively!

Each service is tailored to your specific needs, offering flexibility and effectiveness to enhance the visibility and differentiation of your brand in competitive markets.
